Before Joe does anything can we meet to make sure we are on the right track (before buying stuff and putting up the signs)? I think that the more eyes on this the better. I would like to meet again with Jonathan to discuss the trolleys and the thing we discussed a couple of months ago. OK?

Subject: Permanent Trolley Stops

Augie,

I've assigned Joe into installing permanent trolley stops and he is going to start doing the research.

Can you send me your PowerPoint presentation regarding the Cruise Terminal and the pedestrian traffic flow? We want to start an implementation plan.

Let's discuss.
